- Next up is the Sessions page, where you will find all of your options for workshops and lectures. **Your four-day show pass is automatically added to your registration**, so if that's all you wish to register for, you can click the Continue button at the bottom of this page. The four-day show pass will not appear as a stand-alone item here.

If you wish to register for single day lecture passes, a four day lecture pass, tours, or workshops, you'll find the page ordered like so: Multi Lecture Passes,

Lectures, Workshops, and Miscellaneous. Once you get to the Lectures and Workshops, you'll find things **in order by their registration code**.

You can use the search functions at the top of the screen to find items, or use your browser's Find function (typically Cmd-F or Ctrl-F). Keep in mind, if searching with a course code, input that in the Session Name box, but **the registration system can only search for complete course codes**, i.e. FPP001ThuAM not just FPP001. Alternatively, you can just scroll on this page to find what you want.

**NEW THIS YEAR:** The system will prevent you from selecting conflicting workshops. Once you select any Thursday morning workshop, for example, the registration system will prohibit you from selecting any other Thursday morning workshop.

**ALSO NEW THIS YEAR:** If you choose to purchase a lecture pass, you will see that the system will not allow you to buy the lectures included in your pass a la carte as you are already registering for them through the pass.

*Hooray, no accidental double booking!*

## Registering for a Friend?

- TOP TIP: Are you registering for a friend? You'll need their MQG login info! Make sure to click on Log Out at the top right hand side of the MQG website to log out of your membership account before trying to register for them.
  - Still having trouble? Try an Incognito Window in your browser.

## TOP TIPS:

- All members who click on the Register link on the QuiltCon home page **at or before 10:00 a.m. Eastern will be randomized** at 10:00 a.m. for entrance into the registration system. Members who click on the link at 10:01 a.m. Eastern time or later will enter the queue in the order in which they click.
- A workshop seat is not confirmed until you hit the Confirmation page at the end of the registration process. Having multiple workshops in your cart increases the chances that you may have to slow down and remove sold out items from your cart before completing your registration.
  - Some MQG members decide to take a first pass through the registration system, focused only on registering for their top workshop to increase the chance of getting a seat!!
- If you are only planning to register for lectures or a four-day show pass, take it easy on 7/31! No need to register on the first day!
